Principal's Report: Erica Modzelewski

LEAD tickets: L.E.A.D stands for Leadership, excellences, accountability, determination.

Behavior expectations matrix is a common language between students and teachers

They have a PBIS committee where they meet monthly. Miss Pope comes on Mondays to review the Big 5 Data and create action plan to proactively address discipline. Throughout the year we assess effectiveness of implementation yearly.

How can we do another Student Council event after school event?

Debriefing: 1. The entrance was wonky and needs to go smoother (presale wristbands) and money breaking needs to be easier. We are adjusting for the next one.

Capture the flag tournament is coming up: students can earn flags by bringing can food. The students create their team name, colors etc. Each grade is playing a different week. The kids are bringing canned food for the Kyrene foundation.

Dodgeball is coming up and it's a fundraiser. The kids play in a dodgeball tournament in December, and the two weeks prior to the game the kids can buy 'lives' for the dodgeball game. All the proceeds go to help Winter Wonderland for the Kyrene Foundation 100% of the money goes to families in need. The kids who win the game get to go to Target to go shopping for families in need. Parents we encourage you to donate \$5-\$10 per child to buy them dodgeball 'lives' – collection is AT lunch during 11/29-Dec 8.
